Page 5, new paragraph 19, line 26 **INSERT** New Finding of Fact:

"Require a Deliberative Poll to Determine What SSVEC Members Want

The Commission believes that it is in the members' interest for SSVEC to determine what the members want, and SSVEC's upcoming Feasibility Study meetings provide a great opportunity to hear from members. SSVEC agrees to invest in a deliberative poll and will report to the Commission by February 10th, 2010 on the cost, scope and plan for the deliberative poll. SSVEC is to pay for the poll out of REST administrative funds. Many of SSVEC's administrative duties in managing the REST are simply to make a bond payment, which will take very little time, leaving funds for a poll to determine what members want."
